## **Preamble**

Sanskrit language has a rich heritage of knowledge-systems and educational values. It stood the test of time for millenniums and has given precious wealth of knowledge to society at large. The Sanskrit language is very scientific which is considered as best suitable language for computers which shows it is friendly even in today's computer technology era. It is an earnest need-of-the-hour to disseminate the knowledge of Sanskrit learning to one and all in a systematic and enriching manner.

As per the directions of Government of Karnataka in accordance with SEP (State Education Policy-2024), Languages will be studied in two years of graduate studies spreading across 4 semesters. New focus areas are identified and curriculum has been framed according to it. For language Sanskrit specific texts are finalized and approved by BoS (UG). The BoS committee with the intension of the following objectives and student outcome has prepared the syllabus for Third and Fourth semesters.

### **Course objectives:**

1. To introduce our classical literature which makes students aware of our culture, heritage, values & ethics along with language learning.
2. To appreciate and understand the beauty of a classical literary work.
3. To introduce different types of Sanskrit literature especially Champu and Drama in last two i.e., 3<sup>rd</sup> and 4<sup>th</sup> semesters as they are familiar with the other two types namely Poetry and Prose in the first two semesters. This makes the student aware and know specialties of all four types of literature in Samskritam. Also get to know about dramaturgy which is a science of visual art.
4. To improve writing skills in Sanskrit.
5. To cultivate human values in the students.
6. To meet all the needs of the students and to intellectually stimulate the students to acquire more knowledge in IKS.

### **Course Outcomes:** At the end of the two semesters students should be able to,

1. Understand and appreciate classical Sanskrit Champu and Drama. Will get to know about some important factors about science of visual art through the study of dramaturgy.
2. Know the relevance and greatness of Sanskrit Champu literature which is a mixture of prose and poetry. And also about Sanskrit Dramas and

**dramaturgy. The study of dramaturgy will enhance their knowledge about how well a visual art can / should be presented and the impact it has on viewers and also the social responsibility of poet in presenting the visual art especially the dramas , because the impact it has on the society as a whole.**

- 3. Develop their vocabulary, sentence formation, language skills, speaking skills, writing skills both in descriptive and concise ways and reading skills.**
- 4. Learn translation and explanation method of both prose and poetry.**
- 5. Appreciate and inclined towards Indian knowledge system.**
- 6. Acquire knowledge about Indian culture, human values and ethics.**
