Date: 05.03.2019

**CIRCULAR**

**Sub: Online Affiliation Process System – 2019-20**

The Bengaluru Central University (BCU) conveys its thanks to all the affiliated colleges for their over-whelming response and co-operation in uploading data through online affiliation process system of BCU.

However, some colleges have brought to our notice a few discrepancies between affiliation fees generated by the online system and the affiliation fee notified by the University. Such colleges are requested to make payment as per the fee generated by the system. If such colleges have made excess payment the same shall be refunded to the concerned colleges and if any shortage of payment by the colleges to the University such colleges will be intimated shortly for payment of the difference amount.
